Reviewer’s report

Title: The impact of economic recession on maternal and infant mortality: lessons from history

Version: 2 Date: 28 October 2010

Reviewer: Albert Okunade

Reviewer’s report:

The authors’ revision satisfied my professional concerns about the earlier version. This innovative work, in its current revised version, should make a fine contribution to its field within the public health literature.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
