Reviewer's report

Title: B-vitamin consumption and the prevalence of diabetes and obesity among the US adults: population based ecological study

Version: 3 Date: 4 July 2010

Reviewer: Jackeline Lobato

Reviewer's report:

Minor Essential Revisions
- Methodology:
  Improve the description of Statistical analyses
- Discussion:
  I recommend to improve the discussion between obesity and binge eating or to take it off.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
