Reviewer's report

Title: Prevalence of anxiety and depressive symptoms among obese pregnant and postpartum women: an intervention study

Version: 2 Date: 12 November 2010

Reviewer: Bryndis Bjork Asgeirsdottir

Reviewer's report:

The authors have answered all my questions and made changes in accordance to my earlier suggestions.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.
