Reviewer's report

**Title:** Characteristics of martial art Injuries in a defined Canadian population: a descriptive epidemiological study

**Version:** 1  **Date:** 16 June 2010

**Reviewer:** Willy Pieter

**Reviewer's report:**

1. **Major Compulsory Revisions**

Please consider including the information of the references I gave. I think they will provide a better background against which the current study can be placed and also provide comparative material for the Discussion.

2. **Minor Essential Revisions**

There are some typos that need the authors’ attention. I mentioned a couple of them.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**
