Reviewer's report

Title: Mortality among Norwegian medical doctors 1960-2000

Version: 1 Date: 30 October 2010

Reviewer: Erica Frank

Reviewer's report:

I only have time for a very quick review of this extremely competent, well-written and important paper.

I'd suggest that they add as a ref (they refer to it, but don't cite) it:

Also, susbtitute COPD for COPM in the discussion.
