Reviewer's report

Title: Health Care Utilization in the Elderly Mexican Population: Expenditures and Determinants.

Version: 2 Date: 27 January 2011

Reviewer: R. Frank Gillum

Reviewer's report:

Minor essential revisions

Please add to the discussion of limitations of the study the inability to examine results by region so as to account for unique circumstances in border regions.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
