Reviewer's report

Version: 2 Date: 25 November 2010

Reviewer: Joke Haafkens

Reviewer's report:

The authors adequately addressed my questions and concerns. This has improved the scientific quality of the paper and makes it more relevant for other (public) health professionals and researchers working in the area.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare I have no competing interests.
