Reviewer's report

Title: Costs and effects of a 'healthy living' approach to community development in two deprived communities: findings from a mixed methods study

Version: 2 Date: 10 November 2010

Reviewer: Muhammad Kamrul Islam

Reviewer's report:

In the revised version the authors responded most of my earlier concerns. I have a minor observation and which needs to be corrected.

Minor Essential Revisions
Page 26. It seems authors use wrong reference no after--" There are various ways... could be valued [22]. I think the number should be [28]?

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
