Reviewer's report

Title: Volume, patterns, and types of sedentary behavior and cardio-metabolic health in children and adolescents: a cross-sectional study

Version: 2 Date: 23 February 2011

Reviewer: Fatma Huffman

Reviewer's report:

There is a typo under the "Measurement of sedentary behavior..." section, 2nd paragraph "rages" should read "ranges."

The manuscript should be accepted since the authors addressed the major issues and defined their method and procedures more clearly.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
