Reviewer’s report

Title: Intra-familial and ethnic effects on attitudinal and perceptual body image of South African women

Version: 2 Date: 11 April 2011

Reviewer: Miranda Pallan

Reviewer’s report:

The Authors have now adequately addressed the issues raised in my previous report.

I have one minor discretionary revision: I would recommend that the limitations section of the discussion comes before the conclusion.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
