Reviewer's report

Title: Healthcare workers' and parents' perceptions of measures for improving adherence to hand-hygiene

Version: 2  Date: 26 May 2011

Reviewer: Gerry R Hobbs

Reviewer's report:

The authors have successfully modified the original submission and I have no further objections to its publication. There are some minor grammatical issues.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

I have no competing interests.
