Reviewer's report

Title: Reproductive health and access to healthcare facilities: risk factors for depression and anxiety in women with an earthquake experience

Version: 5 Date: 22 June 2011

Reviewer: Egbert Sondorp

Reviewer's report:

Thanks to authors for making a serious effort to further improve the manuscript and address earlier comments.

I am satisfied with the way the comments have been addressed.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

'I declare that I have no competing interests'
