Reviewer's report

Title: Use of vitamin supplements and risk of total cancer and cardiovascular disease among the Japanese general population: A population-based survey

Version: 2 Date: 9 May 2011

Reviewer: Peter Wallström

Reviewer's report:

This will do, in my opinion. A tip of the hat to dr Brock for demanding the literature update!

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
