Reviewer's report

Title: Alcohol consumption in tertiary education students

Version: 2 Date: 8 June 2011

Reviewer: Preben Bendtsen

Reviewer's report:

I see no need for further revisions. The paper is now much better and have a clear message.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I have shares in my own company that develops computerized software for lifestyle interventions including alcohol, to students and the general population. However, I do not see any competing interest with this paper and my company.
