Reviewer's report

Title: Relationship between physical activity and metabolic syndrome in middle-aged Japanese: a cross-sectional study

Version: 1 Date: 12 May 2011

Reviewer: HengHsin Tung

Reviewer's report:

Major Compulsory Revisions

The author must respond to these before a decision on publication can be reached. For example, additional necessary experiments or controls, statistical mistakes, errors in interpretation

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
