Reviewer's report

Title: Job stress and the utilization of health care services

Version: 2 Date: 20 June 2011

Reviewer: Nicola Magnavita

Reviewer's report:

The paper is interesting and well written. Additional information may be helpful for readers who are not Canadians: who is paying visits, workers, or the NHS? In some countries the payment is borne by the NHS and this can affect the frequency of visits.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
