Title: Mobile phone use and stress, sleep disturbances, and symptoms of depression among young adults – a prospective cohort study

Authors: Sara Thomée, Annika Härenstam, Mats Hagberg

REMARKS AND SUGGESTIONS TO AUTHORS
I have read the revised manuscript by Dr. Thomée and his or her colleagues. The manuscript was improved considerably, so that all of shortcomings, which I pointed out in the original one, were overcome, and my requirements were satisfied. I recommend this manuscript to be published in BMC Public Health.
