Title: The Stigma of Obesity in the General Public and its Implications for Public Health - a Systematic Review

Version: 2 Date: 25 July 2011

Reviewer: Shelly Russell-Mayhew

Reviewer's report:

The authors have clearly addressed all of the concerns in my original review. I think the quality of the paper is much improved. It is clear and additive to the literature.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
