Reviewer’s report

Title: A school-based resilience intervention to decrease tobacco, alcohol and marijuana use in high school students: a pilot study

Version: 2 Date: 22 April 2011

Reviewer: Asha Goldweber

Reviewer’s report:

Minor Essential Revisions:
1. p. 16 explicitly state the "normal developmental trajectories of substance use".
2. Why was school "c" unchanged? (p.17).
4. Make sure references are consistent across manuscript and references at the end of the document.
5. Avoid run-on sentences.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
