Title: Postcode lotteries in public health - The NHS Health Checks Programme

Version: 1 Date: 8 June 2011

Reviewer: Mike Kelly

Reviewer's report:

I enjoyed reading this manuscript. It deals with an important topic, and although based on only a relatively small and local study, it provides some very important warnings on the implementation of the vascular checks programme.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
