Reviewer's report

Title: Missing and accounted for: Gaps and areas of wealth in the public health review literature

Version: 4 Date: 4 August 2011

Reviewer: Mark McCarthy

Reviewer's report:

Minor essential revision

The authors must revise the abstract fully. At present it is not an adequate presentation of the content of the paper. Get someone else to read it who has a critical mind.

The authors have responded in commentary and revision to Reviewer's points for the main text.

Just one disagreement: the reference [16] identified previously remains so (now [18])

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
