Reviewer's report

Title: Prevalence and progression of visual impairment in patients newly diagnosed with clinical type 2 diabetes: a 6-year follow up study

Version: 2 Date: 27 November 2010

Reviewer: Kåre I. Birkeland

Reviewer's report:

By large, the authors have appropriately addressed and answered the major and minor objections I had.

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
