Reviewer's report

Title: Sex education in Mumbai: exposure and opinions of adolescent students in Mumbai: A cross-sectional survey

Version: 2 Date: 13 September 2011

Reviewer: Rosy Chhabra

Reviewer's report:

I found one typo on page 4 - 2nd line of 2nd para in Methods section - using 'a' before 'all'. I do not think that 'a' belongs there. Please take that out. Also please recheck for typos before submission to make sure.

Also anytime you mention a author for the first time, you need to write all names (if less than 6). Please check the references again before submitting.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
