Reviewer's report

Title: What do parents think about parental participation in school-based interventions on energy balance-related behaviours? A qualitative study in 4 countries

Version: 2 Date: 7 November 2011

Reviewer: Armando Raimundo

Reviewer's report:

I would highlight the efforts made by the authors who have significantly improved the article.

Major Compulsory Revisions
The changes proposed by the authors respond to my comments properly.

Minor Essential Revisions
The authors corrected the minor errors in the article I pointed.

Discretionary Revisions
Even considering the possibility to ignore these suggestions, the authors proceeded to such changes.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
