Reviewer's report

Title: The influence of population characteristics on variation in general practice based morbidity estimations

Version: 2 Date: 31 August 2011

Reviewer: Daiki Kobayashi

Reviewer's report:

The authors have answered my questions sufficiently.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
