Reviewer’s report

Title: Traumatic brain injury among people who are homeless: A systematic review

Version: 2 Date: 10 November 2012

Reviewer: Lisa Brenner

Reviewer's report:

Appreciate work on this paper to address suggested revisions. This is a contribution to the literature.

Minor suggestions
1) Table 1 may want to include a footnote re: quality rating - source as well as ranges of scores (e.g., 12 and 17=good....).
2) Table 2 would it be accurate or possible ot able column 2 - injury severity as lifetime most severe TBI?

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
