Reviewer’s report

Title: Effects of self-rated health on sick leave, disability pension, hospital admissions and mortality A population-based longitudinal study of nearly 15,000 observations among Swedish women and men followed 1973-2003

Version: 2 Date: 16 October 2012

Reviewer: Susanna Toivanen

Reviewer’s report:

Please see comments in the attached document.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
