Reviewer's report

Title: Perceived coping & concern predict terrorism preparedness in Australia

Version: 2 Date: 20 October 2012

Reviewer: Sara Evans-Lacko

Reviewer's report:

The revised manuscript is improved and addresses the reviewers concerns appropriately. There are just a few typos throughout (i.e., p 8., the proportion of mobile phone only households was **regarding** as sufficiently low; p 15: rural respondents reported being **less willingness** to comply) which might be revised.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
