Reviewer's report

Title: Building capacity for evidence informed decision making in public health: a case study of organizational change

Version: 2 Date: 23 January 2012

Reviewer: Anita Kothari

Reviewer's report:

I have reviewed the revised manuscript as well as the authors' detailed responses to all of the peer reviewers' comments. I am satisfied that the changes have resulted in a clearer paper. This work will make a contribution to readers interested in evidence-based decision making, implementation science and public health services research.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
