Reviewer's report

Title: Sports activity and combined use of snus and cigarette smoking among young males in Finland in 1999-2010

Version: 2 Date: 25 January 2012

Reviewer: Francois Marclay

Reviewer's report:

The authors have given satisfying answers to all my comments and modified the manuscript accordingly. Therefore, no supplementary revisions are needed before publication in my opinion. The results presented in this paper are of great interest in the field of smokeless tobacco use and will be an interesting addition to the global knowledge on this phenomenon.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
