Title: Feeding styles of caregivers of children 6-23 months of age in Derashe special district, Southern Ethiopia

Version: 3 Date: 26 October 2011

Reviewer: Shamima Akhter

Reviewer's report:

There is no further comments on the materials of the articles. However, I think it would be great if the writing is revised by an English language expert. I appreciate the effort from authors for considering all the comments and their hard work on addressing those properly.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
