Reviewer’s report

Title: "Sometimes they used to whisper in our ears": Health care workers' perceptions of the effects of abortion legalization in Nepal

Version: 2 Date: 7 April 2012

Reviewer: Jane Harries

Reviewer’s report:

Thank you for making the suggested changes -- the results and discussion section is far more comprehensive.

A recent article in BMC Reproductive Health has just been published reference below -- it might be useful to review this paper and see whether it could strengthen this paper by providing any further insights. However this is at the authors discretion.

Samandari G, Wolf M, Basnett I, Hyman A, Andersen K
Reproductive Health 2012, 9:7 (4 April 2012)
Implementation of legal abortion in Nepal: a model for rapid scale-up of high quality care

One further editorial check for typos might also be useful.
I suggest the manuscript be accepted without revision.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
