Reviewer's report

Title: The effect of an unstructured, moderate to vigorous, before-school physical activity program in elementary school children on academics, behavior, and health

Version: 4 Date: 19 March 2012

Reviewer: Kaberi Dasgupta

Reviewer's report:

It is reasonable to publish the protocol as it now stands.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

No competing interests
