Reviewer's report

Title: Lifestyle and Health-related quality of life: a cross-sectional study among civil servants in China

Version: 6 Date: 9 March 2012

Reviewer: Helene Sandmark

Reviewer's report:

Minor Essential Revisions.

* In the Abstract section in Methods the first sentence needs to be looked over
* The aim needs to be stated clearly at the end of the Background section

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
