Reviewer’s report

Title: Long working hours and metabolic syndrome among Japanese men: a cross-sectional study

Version: 5 Date: 6 May 2012

Reviewer: Henrik Bøggild

Reviewer’s report:

I have with pleasure read the revised version of the paper.

In my opinion the authors have thoroughly dealt with the questions raised by me and the other reviewers.

The revisions made are sufficient.

I have no other comments.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
