Reviewer’s report

Title: Type D personality is associated with impaired psychological status and unhealthy lifestyle in Icelandic cardiac patients: A cross-sectional study.

Version: 3 Date: 16 November 2011

Reviewer: Benjamin Chapman

Reviewer’s report:

The authors have done a good job providing secondary analyses treating Type D as a dimension. This information, about which many readers will be curious, is now integrating appropriately into the manuscript.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
