Reviewer's report

Title: Adaptation to climate change in the Ontario public health sector

Version: 2 Date: 24 May 2012

Reviewer: Tim K Takaro

Reviewer's report:

I have reviewed the extensive response to reviewers. The authors have responded masterfully. I have no further comments. This is an important contribution for evaluation of adaptive capacity in Canada's largest province.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
