Reviewer's report

**Title:** Increased seroprevalence of IgG-class antibodies against cytomegalovirus, parvovirus B19, and varicella-zoster virus in women working in child day care

**Version:** 2  **Date:** 19 April 2012

**Reviewer:** Sheila Dollard

**Reviewer's report:**

The authors have addressed concerns adequately. The final version of the paper is very nice.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** Yes, but I do not feel adequately qualified to assess the statistics.

**Declaration of competing interests:**

I declare that I have no competing interests.
