Reviewer's report

Title: Screening for type 2 diabetes in a high-risk population: study design and feasibility results of a population-based randomized controlled trial

Version: 6 Date: 1 August 2012

Reviewer: Sheena Mc Hugh

Reviewer's report:

The authors have answered the questions and comments sufficiently, revised the manuscript thoroughly and improved the report in a number of ways.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
