Reviewer’s report

Title: The comparative effectiveness of statin therapy in selected chronic diseases compared with the remaining population

Version: 2 Date: 1 May 2012

Reviewer: Gabriel Chodick

Reviewer’s report:

The authors have adequately revised their manuscript. With regard to comment 3 under Minor Essential Revisions, the authors may mention the availability of medical data since as early as 1989 in the text.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
