Reviewer’s report

Title: Childhood school segregation and later life sense of control and physical performance in the African American Health cohort

Version: 5 Date: 11 September 2012

Reviewer: Diana Burgess

Reviewer’s report:

The authors have addressed my original criticisms. This is a provocative paper that addresses an important issue, which I believe will make a contribution to the field.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
