Reviewer’s report

Title: Socioeconomic Status and Metabolic Syndrome in the general population of China: A Cross-Sectional Study

Version: 1 Date: 20 July 2012

Reviewer: Yi Guo

Reviewer’s report:

Compulsory:
In method, the manuscript should tell reader how to define “permanent residents” and how to carry out randomized sampling. The phrase “According to the economic development level” is unclear. The table should be revised in standard format.

Quality of written English: Acceptable

Declaration of competing interests:
I declare that I have no competing interests in relation to the manuscript.
