Title: Socio-demographic factors and psychological distress in Indigenous and non-Indigenous Australian adults aged 18-64 years: analysis of national survey data

Version: 3 Date: 7 November 2011

Reviewer: Saffron Karlsen

Reviewer's report:

I have read the authors' responses to the reviewers' comments, both in their report and the manuscript and am happy that the comments have either been addressed, or the authors' decisions not to do so have been sufficiently justified. I feel the paper benefits from the additional clarification and balance the additional changes have provided and am happy for it to be published.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
