Reviewer's report

**Title:** A community intervention for behaviour modification: an experience to control cardiovascular diseases in Yogyakarta, Indonesia

**Version:** 2  **Date:** 30 June 2013

**Reviewer:** Nizal Sarrafzadegan

**Reviewer's report:**

Minor essential revisions:
1. Explain the characteristics of general population in the intervention & reference areas (comment 13 & 27).
2. As the mass media is the same in area it should be mentioned in limitation (comment 14).
3. It is not common to mention the authors name in the paper, so it should be omitted (comment 16).

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.
