Reviewer’s report

Title: Predictors of Mortality Among HIV Infected Children on Anti-Retroviral Therapy in Mekelle Hospital, Northern Ethiopia, A retrospective Cohort Study

Version: 7 Date: 4 September 2013

Reviewer: Johan Nikolai N Bruun

Reviewer’s report:

1. Still the manuscript has inconsistencies, inaccuracies and set-up that probably are not according to the guidelines for the journal. Corrections to some of these are suggested in the attached Word copy of the manuscript.

2. Table 2: Misspelling in the name of variables:
   Gardian should be: Guardian,
   stage I&II should be: Stage I & II
   Stage III&IV should be: Stage III & IV

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
