Reviewer's report

Title: Trends in influenza vaccination coverage in Portugal from 1998 to 2010

Version: 2 Date: 23 September 2012

Reviewer: Carlos Chiatti

Reviewer's report:

Please provide to the reviewers table 1 and 2 which are mentioned in the text. In the additional files, the authors provide a table numbered as "1", but I hardly believe that it is the table mentioned in the text, as it does not contain any info regarding sample sizes and IV coverages.
Table 2 is missing.

Level of interest: An article of importance in its field

Quality of written English: Not suitable for publication unless extensively edited

Statistical review: No, the manuscript does not need to be seen by a statistician.
