Reviewer’s report

**Title:** Antibiotic use and resistance in emerging economies: a situation analysis for Viet Nam

**Version:** 2  **Date:** 28 August 2013

**Reviewer:** Gunnar Skov S Simonsen

**Reviewer’s report:**

The manuscript is a well written description of how available data at the national level were compiled and used to formulate public health policies towards antimicrobial resistance. The presentation is clear and consistent, and I have no specific suggestions for improvement.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

None
