Reviewer's report

Title: Appropriate health-seeking behavior and associated factors among people who had cough for at least two weeks in northwest Ethiopia: A population based cross-sectional study

Version: 6 Date: 26 November 2013

Reviewer: Afework Mulugeta

Reviewer's report:

All the comments in my first reviewer's report are well addressed in the revised manuscript. Thus, am in favor of the publication of the article. Attached is the re-review report for the manuscript.
