Reviewer’s report

Title: The performance of the K10, K6 and GHQ-12 to screen for present state DSM-IV disorders among disability claimants

Version: 2 Date: 21 November 2012

Reviewer: Jennifer Green

Reviewer’s report:

The authors have prepared a revision that addresses the primary comments and concerns raised previously. This paper is an improvement over the original submission and I believe it is ready for publication.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
