Reviewer's report

Title: Gaps in detailed knowledge of human papillomavirus and the HPV vaccine among medical students in Scotland

Version: 2 Date: 4 March 2013

Reviewer: Lyndal Trevena

Reviewer's report:

The authors have adequately addressed the points raised in my review.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
